What is IFRS?

IFRS (International Financial Reporting Standards) is a globally accepted set of accounting rules for preparing financial statements, used in 140+ countries to ensure consistency and transparency in reporting. It qualifies students for financial reporting, audit, and consolidation positions. This certification is designed to take students from foundational concepts to advanced application — equipping you to handle real-world financial reporting challenges faced by listed companies, MNCs, banks, and Big 4 audit engagements.

Who can join IFRS at Kizen?

- Commerce and finance graduates/postgraduates planning a career in global finance
- Finance professionals preparing for overseas job opportunities
- Freshers looking to build a career in global finance
- MBA/postgraduates with a finance background
